President Donald Trump’s unprecedented first year in office has seen White House turnover, vitriolic “tweetstorms,” high-stakes investigations and a widespread “resistance” movement take shape. It has also brought a string of Trump executive orders and the failure to upend “Obamacare,” followed by Trump’s biggest legislative victory — tax reform.

As Trump prepares to give his State of the Union address Tuesday, here is a look at how his executive orders, priorities and turnover, vitriolic “tweetstorms,” high-stakes investigations and a widespread “resistance” movement have reverberated in Arizona.

The social-media star who roiled the world of professional golf
