Experience fighting the virus improves outcomes for many of the critically ill, but it’s still a battle for everyone involved

Recovery remains tightrope between hope and despair

Coronavirus map: \( \text{California is } \) in and at most red counties with high and substantial transmission. Pacifica is in purple with medium transmission. Kern County is in orange with moderate transmission.

\( \text{Hospitalizations in the nine-county Bay Area}^{\footnote{1000}} \)
