A lift for the kids

ALLISON BATDORFF/Stars and Stripes

Imin Majeed, 2, who has a congenital heart condition, was flown with six other children this week to the National Iraqi Assistance Center in Baghdad. Many of Anbar's doctors fled or were killed by insurgents, said Navy Lt. Tony Romero, a surgeon working with the Marine battalion coordinating the flight.

Marines fly sick, wounded children from Anbar to Baghdad for medical care **Page 7**
