Mother-son team take home winnings from 'Wheel' show

Mary Anne and Michael Dixon have won \$142,000 on the "Wheel of Fortune," making them the biggest winners of the show's season. The show was taped in early February and aired Tuesday. "The money is fun," said Mary Anne, a retired third-grade teacher at Castle Elementary. "The best thing about it was riding down in the car and spending time with Michael (an engineer at AERA Energy LLC). When your children get older, you don't have as much opportunity to do that."
