Coach Larry Lee was greatly influenced by his father, Tom, who was named to Cal Poly's Hall of Fame for his many contributions as a coach across numerous sports.

# HOMETOWN HERO

A rich family legacy in local athletics fuels San Luis Obispo native Larry Lee's success, leading Cal Poly to its finest baseball season ever

Larry Lee is the living embodiment of the term hometown hero. The Cal Poly baseball head coach was born, raised and has spent nearly the entirety of his 54 years in San Luis Obispo. He's molded the same program his father coached nearly 60 years ago into arguably the most successful of any on campus. As the Mustangs are set to host a Division I NCAA regional for the first time in school history this weekend, they have the Lee family legacy to thank. The values that Larry absorbed from older brothers Mike and Terry and Cal Poly Hall of Fame dad Tom continue to drive the team to this day — and into the foreseeable future. After 12 years as the head coach at Cal Poly, and the previous 16 as the head coach at Cuesta College, Lee doesn't see himself

going anywhere. "If at all possible," Lee said, "I'd like to stay here and finish here." Lee, who reached four state final fours at the junior college level at Cuesta and will lead Cal Poly to its third NCAA appearance, has had opportunities to take higher-profile jobs but preferred to stay home. "Larry," said Cal Poly assistant coach Teddy Warrecker, "is definitely a dying breed, someone who is born and raised in his hometown and who happened to make a big impact in his field in a way that is so well respected in our profession. # Assembly OKs Paso water plan

Chamber approves hybrid groundwater district proposal that gives locals control; bill now faces votes in the state Senate

By TONYA STRICKLAND

Legislation to form a Paso Robles groundwater management district received a big boost Wednesday when it was approved by the state Assembly.

The legislation will move to the state Senate for consideration.

"This bill is the best chance for my community to move forward under very difficult circumstances," bill sponsor Assemblyman Katcho Achadjian said at the meeting, which was webcast live from Sacramento.

Wednesday's vote was a crucial step in supporting local residents' efforts to manage dwindling groundwater levels in northern San

The bill required a majority vote of 41 votes in the Assembly, which it received straightaway Wednesday

morning at 41-8. As the floor session continued, the approvals grew to 45 votes by midafternoon. Representatives from Achadjian's office said later Wednesday that they expected to get more "yes" votes from the 80-member Assembly by day's end.

# Groundbreaking literary icon Maya Angelou dies

Poet, author, actress, singer and director left her mark across American landscape

By HILLEL ITALIE  
Associated Press

NEW YORK — Maya Angelou's story awed millions. A childhood victim of rape, she broke through silence and shame to tell her tale in one of the most widely read memoirs of the 20th century. A black woman born into poverty and segregation, she recited the most popular presidential inaugural poem in history.

"I'm not modest," she said in 2013. "I have no modesty. Modesty is a learned behavior. But I do pray for humili-
