If MTA doesn't get its way, it'll be ...

\$3.15

A RIDE!

NOW THIS is a real commuter nightmare.

A 15% fare and toll hike looms if state pols don't bail out the debt-ridden MTA, a transit official warned Monday. A \$32 billion plan to pay for fixes is only half-funded, meaning the fare could rise again, even though it just went up to \$2.75 in March.
