MUSIC MAKERS

Composer Jon Deak, of the New York Philharmonic, works with Lara Melgaerjo on her piece, "Friendship," during a rehearsal at Avon Elementary School on Wednesday for the Very Young Composers performance. The performance is today at 1 p.m. at the Vail Public Library. The weeklong workshop teaches kids the art of writing music. **FOR THE FULL STORY, SEE PAGE A2.**

CORRECTION

The story on Page A2 of Wednesday's Vail Daily incorrectly reported that Heidi McCollum was the first female assistant district attorney in Colorado's 5th Judicial District. Karen Romeo was the first, appointed in 2005 by Mark Hurlbert, a Republican. Romeo served as assistant district attorney until 2008, when she was appointed to be a judge. She is a district court judge in Summit County.
